

# JUVENILE CENTERS

## ELECTRONIC HEALTH RECORDS (EHR)

### Patient Portal

Enable seamless access for guardians to review records and provide consent.

### Immunization Registry

Ensure compliance with state requirements by verifying and updating immunization records.

### Wellness Checks

Automatically schedule well checks to promote age-based preventative care.

# What We Do

Electronic Health Records Your Way.

## How We Help

Through our fully customized workflows, streamlined communication, and unified reporting your facility may experience:

-  Reduced Risk
-  Increased Efficiency
-  Improved Team Collaboration
-  Consistent Documentation

## Discover the Difference

*Streamline healthcare operations with CorrecTek—get started today!*
